## Annual Report 2025

Good evening and a very warm welcome to everyone present here.

It gives me immense pleasure and a sense of pride to welcome you all. Today is a special occasion where we come together to celebrate a year filled with learning, achievements, hard work, and growth.

Before presenting the Annual Report, I would like to take a few moments to reflect on the journey of our school during the past academic year and acknowledge the collective efforts that have made this journey meaningful and successful.

Galaxy National School stands on the motto “आदर्श सुविद्या,” shaping confident and responsible learners. Founded by visionary educationist Hon. Usha Deshmukh, the school blends strong cultural values with practical life skills.

Our campus supports every child’s physical, mental and emotional growth. We introduced the No Sack, No Tiffin concept. We are the pioneer and only one school in Ahilya Nagar to follow it.

We align with the National Education Policy 2020 and place strong focus on languages like Hindi, English, Marathi, Sanskrit and French. The school offers a tech-friendly environment with a large playground, computer lab, auditorium and activity spaces.

Students train in Dance, Aerial Silk, Mallakhamb, Rifle Shooting, Skating, daily yoga and this year we have added Drama to build confidence and expression. Our well-organized kitchen serves fresh, nutritious meals to all students.

We also conduct full-day, non-residential camps that help children build teamwork, independence, problem-solving and leadership skills.

Through our Abhijat Marathi initiative, students learn rapid reading and the values of Chhatrapati Shivaji Maharaj.

Galaxy National School continues its mission of strong values, modern learning and a nurturing space where every child grows with confidence.

## **Late Mr. Deepak Deshmukh**
